

Compliments of Dr. Robert T. Rhode and roberttrhode.org  
Check the site where you will find many fascinating books and eBooks,  
as well as several free documents to enjoy, including original sumi-e art.

*Frasier's Lady, a Poland China sow, earned second place in the national competition. William Curtis Rhode (1852–1931) purchased her to improve his breeding stock on his farm near Pine Village, Indiana. This copper cut of Frasier's Lady appeared on a sale bill in 1902. W. C.'s great grandson is Robert T. Rhode.*
